

EL ARQUITECTO.
Arquitecto P. Valleron

Architectural floor plan of the second floor of the 'Palacio de la Cultura' in Havana. The plan shows a large rectangular building with a central corridor and multiple rooms labeled in Spanish, including 'DORM' (Dormitory), 'COMEDOR' (Dining Hall), 'SALA' (Living Room), 'VESTIBULO' (Vestibule), and 'SERV' (Service). The layout is symmetrical around a central vertical axis. The drawing is a black and white line plan with various room labels and architectural details like doors, windows, and stairs.
